20(A))	

Pursuant to Rule 103-825 and other applicable rules and regulations of the South Carolina Public Service Commission ("Commission"), Walmart Inc. ("Walmart"), by its attorneys, respectfully requests that the Commission permit it to intervene and become a party in the above-captioned matter. In support of its Petition to Intervene, Walmart submits as follows:

1. On May 30, 2019, the Commission initiated this proceeding to establish Duke Energy Carolinas, LLC's ("DEC" or "Company") "standard offer, avoided cost methodologies, form contract power purchase agreements, commitment to sell forms, and any other terms or conditions necessary to implement this section," pursuant S.C. Code Ann. § 58-41-20(A).

2. Walmart is a global retailer of goods and services and also operates throughout the United States. Walmart's principal energy management office is located at 2001 SE 10th Street, Bentonville, AR 72716-5530.

3. Walmart has the privilege of providing its retail services throughout the State of South Carolina, operating 128 facilities, including 84 Supercenters, four Distribution Centers, 27

Neighborhood Markets, and 13 Sam's Clubs.¹ Within the DEC service territory, Walmart is a large commercial customer, purchasing approximately 122 million kWh annually, and operating 30 retail stores and facilities, including Walmart Supercenters, Sam's Clubs, distribution centers, and gas stations. Electricity is one of the largest operating costs faced by Walmart. As such, Walmart has a direct and substantial interest in the outcome of this proceeding.

4. In addition, Walmart has a substantial interest in the development and use of renewable energy in South Carolina as it has established aggressive and significant company-wide renewable energy goals, including: (a) to be supplied 50 percent by renewable energy by 2025, and, ultimately, (b) to be supplied 100% by renewable energy.²

5. Walmart has a direct and substantial interest in the outcome of this proceeding. In addition, as a large commercial customer that purchases substantial amounts of electricity and related services from DEC pursuant to multiple accounts at multiple locations, Walmart has an interest in this proceeding that is not represented by any other party.

6. The attorneys representing Walmart in this proceeding are:
